Late Pick-Up Policy

There is a late pick-up charge of **\$1.00 per minute**, except in emergency situations. This late fee must be paid in cash to the staff on duty upon pick-up of your child.

Families will be charged a late pick-up fee if a child is not picked up by the end of his/her program. If a child is not picked up by the end of his/her program, and we are unable to contact the parent or someone on your emergency list, we will alert the police and the Virginia Department of Social Services. Non-compliance with our Late Pick-Up Policy will result in the following: The Program Director reserves the right, based on the frequency of situations such as picking a child up late (more than three times), to make the decision to terminate enrollment services. In the event this should occur, the Program will give the family a two-week notice in advance to allow them time to find alternative early childhood services (extreme situations, however, will result in immediate termination of enrollment).
